

Your Medicare Prescriptions Delivered To Your Door

Consider Walgreens Mail Service Pharmacy for Your Medicare Part D Medications:
Economical, Easy, and Convenient

Walgreens Mail Service Pharmacy can save you time and money by offering:

- Fewer copays with one 90-day supply (or the maximum allowed by your plan) versus three 30-day supply copays
- Quick and secure delivery to your home or location of your choice
- Exceptional customer service with a pharmacist available 24 hours a day
- Easy ordering and refill services: by mail, phone, or online through walgreensmail.com/medicarerx
- Easy payment by check or credit card

Connected for Your Convenience

Every Walgreens pharmacy—including Walgreens Mail Service—is connected. Mail service customers who require an emergency supply of their prescription, can pick it up at any of the nearly 5,500 Walgreens retail stores.

Ask your health plan if they offer Walgreens Mail Service Pharmacy as an option for Medicare Part D prescriptions. If they do not, have your health plan contact Walgreens Mail Service for more information.
